PERSONAL STATEMENT

Shambaro Mohamed Roba

Assalamualaikum warkmatulahi wobrakthu .I take this opportunity to express my deepest gratitude to Mambrul secondary school that shaped my foundation and believed in my potential when I needed it the most. It is with great joy and humility that I announce my graduation with a Bachelor of Science in Nursing from Umma University, School of Nursing and Midwifery.

This achievement would not have been possible without the generous scholarship support I received from the school, which opened doors for me and gave me the chance to pursue higher education. To the Board Members, thank you for investing in my future and for your vision in supporting students like me. To the Principal, your leadership and encouragement set the tone for my academic journey. I am forever grateful for the faith you placed in me.

To the Deputy Principal, your guidance and support throughout my time at school made a significant impact on my discipline and growth. To all my teachers, thank you for your dedication, knowledge, and for instilling in me the values of hard work and resilience. To the non-teaching staff, your daily efforts ensured a safe and supportive environment that allowed us to thrive. This milestone is not mine alone—it belongs to every one of you who contributed to my journey.

May Allah reward you abundantly.

With heartfelt thanks,
SHAMBARO MOHAMED ROBA .
Bachelor of Science in Nursing
Graduate, Umma University
